

## Holiday Booking Fees

At Tiny Party People Nanny we value the importance of spending time with loved ones, especially during the holiday season. Because our nannies dedicate their time and travel away from their own families to provide care on these special days, an additional holiday fee applies.

All holiday bookings are subject to our nannies **availability and individual preferences**. We sincerely appreciate your understanding and support — these fees help us continue offering exceptional care while recognizing and honoring the personal commitment of our team.
